Hintergrund Informationen

James Bond: "A dry Martini, one. In a deep champagne goblet." Waiter: "Oui, Monsieur." Bond: "Just a moment. Three measures of Gin, one of vodka, half a measure of Kina Lillet. Shake it very well until it's ice-cold, then add a large thin slice of lemon peel. Got it?" Waiter: "Certainly Monsieur." Felix Leiter (CIA): " Gosh, that's certainly a drink."

Bond: "When I'm .. er .. concentrating, I never have more than one drink before dinner, But I have more than one drink before dinner. But I do like that one to be large and very cold and cery well-made. I hate small portions of anything, particulary when the taste bad. This drinks my own invention. I'm going to patent it when I can think of a good name .." (looking at Vesper Lynd).
